The Adventure of Living

Springtime is a wonderful time of the year. After being housebound for much of the winter, we are looking for a new adventure. Today one adventure, "storm chasing" has become a hobby for many people and a profitable business for others. The goal is to get as close as possible to a tornado without being harmed. Many storm chasers are skilled forecasters with accurate information while others are amateurs looking for a new adventure. But I won't sign up for a tornado tour anytime soon.

During my lifetime I have pursued some crazy things, but trusting God is keeping me safe is comforting. A wiser approach is to read the book of Proverbs, which contains many positive ways to avoid these snares of life.

Our Lord is the master of the adventures of living, and following His wisdom leads us along a safe path of life.

May we always turn to God for guidance each and every day.

**Together through prayer and service,
Deacon Mike**

If a Mass is canceled, any Mass Intention that is scheduled for that day will be covered by Fr. Ben. It will not need to be rescheduled.

Any questions please call Jeanne for St. Pat's 812-232-8518 or Missy for SMM 812-232-3512

Angels for Babies is now accepting blankets for babies and also lap blankets for Veterans. Due to Covid, many facilities were not accepting hand crafted items such as crocheted hats and blankets for newborns. At this time, we are once again accepting items crafted by our parishioners.

The items are given to local hospitals. Often the small hats and blankets are used for preemies. The lap blankets are also distributed to various facilities for our veterans.

There will be a box in the church for donated items beginning March 21st through April 21st. After this date the blankets can be turned in to the parish office anytime during office hours. If you need further information, please contact Jeri Greve at 812-229-0560 or Kay McGill at 812-201-3641.

Spring Cleaning & Our Common Home

Starting to think about spring cleaning? Look over your cleaning supplies and consider making your own environmentally friendly cleaners.
