Light to a Dark World

Each day, the sun rises to warm, illuminate, and provide growth on earth. The moon and stars light the night, serving as navigators long before Smartphone's. We reach for the light-switch when we enter a dark room, and we depend on our accumulation of knowledge to shed light on our lives.

A boat needs navigational lights to avoid running into the shore, aground or into other vessels at night. Light prevents aimless drifting. Captains follow blinking channel markers and lighthouses at night. Now, GPS coordinates steer ships, but the Captain and crew still need to know how to navigate by the stars, buoys and lights in case of an electrical malfunction. A lack of preparation could be deadly.

Just as ships follow lights to ensure safe passage, so we rely on the Light of Christ. Jesus' death broke through the darkness, lighting the way for us. Prayer, which serves as life boat and lighthouse throughout our everyday lives, is an open line of communication to God. Through the inspiration of the Holy Spirit, He helps us understand and remember when we need His wisdom to steer us.

The Light of the World knows what we do not. We can be so focused on getting to where we are going that we miss many turns along the road to a full and abundantly bright life.

May you be a light in the darkness - a servant of God who is being watched, who gives off the light of Christ with hardly a word being said!

Deacon Mike

INSPIRATION FOR THE WEEK

The fruits of our labors are not always seen in our lifetimes. Faith is not conditional on seeing results. Faith is a radical trust in what is unseen. It requires vigilance and self-investment. It requires our attention even when our efforts don't bear fruit or are unappreciated or unrecognized. A person who is open to accepting God's presence, however it comes, and is willing to share the love received with others is a true inspiration. Good works will flow from this vigilant depth of faith. It will be directed where it is most needed and detached from the need for recognition or gratitude. Faith exercised in secret is the most profound expression of faith and a testament of true love for our Creator. No one needs to know the humility, generosity, and goodness of our hearts, only God. Standing erect and watchful, we are prepared to receive the gift of Divine Love and freely share it with others, without recognition or self-benefit.

Did you know? Our church is one of more than 12,000 congregations with Stephen Ministry worldwide.
