## There is no bad time to say "I Love You"

The origin of St. Valentine's Day is somewhat of a mystery. Tradition holds that Valentine was conducting marriage ceremonies that went against Emperor Claudius II's laws prohibiting young men in his military service from having wives and families. Other stories credit St. Valentine with rescuing Christians from imprisonment.

Claudius was so enraged that he sentenced Valentine to be beaten with clubs and to be beheaded unless Valentine was willing to renounce his faith in Christ. Valentine refused to recant. Thus, Valentine was executed on February 14, 269. According to some sources, Valentine left a letter to a young girl with the words "Your Valentine."

Valentine's Day commemorates the love that Valentine had for God. While we often think about the love we have for one another—and we should—we should also think about the love that God has for us

Whoever we are, we are first loved by God at the moment of conception in our mother's womb. This love remains a constant in our lives. The truth is: God's love is our first valentine. So whether we celebrate openly or desire the day to fall off the calendar, we can all celebrate God's love on Valentine's Day.

And please, don't assume someone knows how you feel about them. Tell them right now. And if you don't get it done on Valentine's Day, for heaven's sake, don't wait another year!
