One step at a Time

Have you ever felt like you are in the middle of a desert, surrounded by sand dunes, as far as the eye can see? We all have our fair share of fears, doubts, and walls we all put up, ourselves by blaming others for problems that were of our own making. We want a sudden solution, a quick fix. But some things can't be fixed. But that's a fact of life. You will keep experiencing failure, until you find out what you need to do.

Trust
in the Lord
with all thine heart:
and lean not
unto thine own understanding,
in all thy ways
acknowledge Him,
and He shall direct thy paths.
Proverbs 3: 5-6

And for that to happen, you've got to show up. You've got to show up and face what you're afraid of, and follow through, even when you don't feel like it. We always have to face our fears, everyday. It's the only way to keep on growing, and living. Life throws a lot at you that you have to figure out, and do something about. Only by overcoming the work needed inside of you, are you able to overcome the work needed outside of you.

When all else fails, keep showing up and find what will work. Be persistent and trust the process, Even if, it's not the results that you initially intended to obtain. And finally, have faith, Faith in God that things will come together, as long as you keep on moving forward. Our heavenly Father wants us to engage with Him in our struggles. He understands His children as no one else can. Even in our troubles, God's love and direction can be trusted, one step at a time.

Dropped Host

Question: What happens to a consecrated host if it accidentally falls to the ground?

Answer: This is a very practical question because, as we all know, accidents happen, even during the most careful celebration of the liturgy. The short answer to this question is that nothing happens to the consecrated host. The Real Presence of Jesus remains in the consecrated host or any consecrated wine that might accidentally be spilled.

Another question we might ask is: How should the ministers respond if the Eucharist is dropped or spilled? If this happens, the priest, deacon, or extraordinary minister of holy Communion should immediately pick up the dropped host and consume it. If it is a case of the Precious Blood being spilled, the minister would use the purificator (and additional purificators if needed) to clean the spill and then the area should be reverently washed as soon as the Mass is over and the water poured into the sacrarium (a special sink that is located in church sacristies for reverently disposing of holy water, the water used to clean sacred vessels, etc.).

Stephen Ministry

The shortest sentence in the Bible is "Jesus wept" (John 11:35) when He grieved the death of his friend Lazarus. If you experience grief over the loss of a loved one, loss of a job, loss of health due to illness, etc., request a Stephen Minister to assist in your grief journey.

The Shamrockers meet the first Wednesday of the month for lunch. Next month on November 1, 2023 they will attend Mass at 11:00am then head to the Comar Café in Rosedale for lunch followed by wine tasting at Sycamore Winery. Please call Betty at 812-877-3548 or Mark and Liz at 812-243-3756 if you plan to go. All are welcome.

Season of Creation

It's almost impossible to watch a newscast any more without some weather catastrophe being reported: drought, heat waves, massive storms, floods.

Climate change is real, and it is affecting people's lives here in the US and all over the globe.

The good news is we can do something about it. Consider becoming better informed on the causes and solutions.

A good place to start is at <https://climate.nasa.gov>
