Voicing Your Wishes.

"I have come that you may have life and have it to the full". John 10:10

Most people would agree that life is a painful mixture of good and bad. Do you need comfort? Need compassion? Need Help?

The Stephen Ministry is offering you this opportunity to discuss your needs. One way this ministry wants to help you and your family is by offering a conversation, so that your loved ones' will know your values and wishes.

Come join us for an informal and ... and entertaining evening involving an innovative card game, **GO WISH,;** specially designed to help everyone think about what is important about their future quality of life care.

Does your family really know what you want when you can no longer make decisions for yourself?

Some discussion points from the cards;

- to have my family prepared for my death
- to pray
- to be able to talk about what death means
- to be at peace with God
- to maintain my dignity
- to meet with clergy or a chaplain

We encourage everyone to come to.

Voicing Your Wishes

The Office of Deacon Formation is beginning a period of inquiry and discernment for those interested in the Permanent Diaconate. In the Archdiocese of Indianapolis, formation for the permanent diaconate is a five year process beginning with the year of inquiry and discernment. This first year entails a series of monthly meetings, beginning in September and concluding in March, which are held in various areas of the archdiocese. These sessions are open to all those who wish to enter into discernment. Serious applicants are expected to attend all of the meetings. If they are married we ask that their wives also attend. Formal application packets will be distributed in January of the discernment year to those who have actively participated in the discernment process. The applications will then be reviewed by a selection committee, and those who are selected to enter formation will begin the formal four year process in August 2018.

The first inquiry session will take place on Sunday, September 10, 2017, at St. Lawrence Parish in Indianapolis. The topic will be the *Diaconate as Vocation* and will also discuss necessary qualifications and the four year formation process.
