Our Prayer Time!

Have you even been in a conversation with someone who only talks about him or herself? To be polite, you strike up a dialogue by asking questions. The other person proceeds to talk endlessly about themselves and never asks you anything. It seems to be all about that person and nothing about you. Imagine what it must be like for our heavenly Father to listen to our prayers during our devotional prayer time. We may read verses in the Bible, but then our prayer shifts to what we need. We ask for help in solving a problem, provide for financial help, healing a physical ailment and so on. This is great, because God tells us to bring our troubles before Him, however, the scripture passage never enters into our reflection. I know, because I often pray for what I think I need instead of listening to God and His direction in my life.

The Scriptures we read offers all of us solutions to our problems such as, patience, forgiveness, cooperation and so on. Let's develop a discipline of reflection in our prayers. It just might transform our devotional time. May our prayer time, open our eyes and heart to listen and learn from our heavenly Counselor!

***Together through prayer and service,
Deacon Mike***
